RE: Chieti, Italy Meeting - Grant No. 1650

Dear Doctor Gertenbach:

It is with pleasure that I accept the support of the Tobacco Research Council for the workshop-symposium on The Effects of Nicotine or Smoke on the Developing Nervous System at the 1984 summer meeting of the International Society of Developmental Neuroscience. I understand that your support is for \$3,500 and it will be used to help with the expenses of the participants of this workshop (A. Lajtha, H. Sershen, I. Black, B.V. Rama Sastry, P.D. Lewis, N. Hagino, and G. Mitchell) by awarding each \$500.

Sincerely yours,

Abel Lajtha
